Epip2x1mb3vh

ORDER CODE: EPIP2X1MB3VH

The **EPIP2X1MB3VH** multi-yoke support is designed for the multiple mounting of products from the EclPanel IP2x1 series, both Hard and Soft versions. This accessory allows for easy and versatile installation of up to 3 units on a single yoke, in either a 3x1 or 1x3 configuration, enabling flexible setups with powerful concentrated light, broad soft light, or a hybrid combination of the two series.

Offering various mounting possibilities, the **EPIP2X1MB3VH** support is crafted to provide a modular and versatile solution, meeting configuration and integration needs in the field of cinematic lighting.

Constructed with robust, high-quality materials, the **EPIP2X1MB3VH** ensures excellent resistance and durability, making it suitable for both indoor and outdoor production environments.

The support structure is designed for quick, precise, and secure mounting of the EclPanel IP2x1, ensuring reliable performance even under heavy loads and demanding environmental conditions.
